

ONE CONNECTED HOSPITALITY ECOSYSTEM

Technology built around the guest journey, operator workflow and revenue opportunity.

RESERVATIONS • TICKETING • CATERING • GIFT VOUCHERS • GUEST EXPERIENCE • VENUE OPERATIONS

One hospitality technology ecosystem.

Each platform solves a clear operational or revenue problem, with one consistent commercial home.

CUSTOMER BOOKING FEE

A simple model for organisers.

No setup fee. No monthly subscription. Free events are free.

Revenue is generated through the customer booking fee on paid tickets.

GuestRelations.app

The Digital Concierge for the guest journey.

WHAT IT DOES

- 01 Digital welcome and property information
- 02 Service requests and direct staff contact
- 03 Dining, spa and leisure upsell pathways
- 04 Push notifications and homescreen access
- 05 QR and NFC hardware-to-software touchpoints

PER PROPERTY / MONTH

Up to 20 rooms	£49
21-50 rooms	£99
51-100 rooms	£149
101+ rooms	£199

All core Digital Concierge features included.

Two focused additions to the hospitality stack.

Both products will follow the same restrained, operationally focused platform approach.

HOSPITALITY LAUNDRY

GuestLaundry.app

Multi-vendor hospitality laundry management for linen collection, processing, delivery and customer visibility.

PRICING TO BE CONFIRMED

VENUE MANAGEMENT

VenueDiary.app

Venue operations for enquiries, availability, bookings and day-to-day management.

Target launch: end of September 2026.

PRICING TO BE CONFIRMED

Clear pricing across the portfolio.

A simple overview without mixing unlike products into a graph.
